

American Heart Journal Suplemento Dic-2010

No mostrar en "slideshow"

El American Heart Journal ha publicado en Diciembre 2010 un suplemento dedicado al manejo de los pacientes sometidos a una Intervención Percutánea. Temas como el tratamiento antitrombótico, la Angioplastia Primaria, el Remodelamiento cardiaco....

[Patient management and care after primary percutaneous coronary intervention reinforcing a continuum of care after primary percutaneous coronary intervention Dic 2010 \[1\]](#)

Zimarino M, Ruggieri B, De Caterina R.

Am Heart J. 2010 Dec;160(6 Suppl):S42-7.

[The extent of irreversible myocardial damage and the potential for left ventricular repair after primary percutaneous coronary intervention Dic 2010 \[2\]](#)

Esposito G, Dellegrottaglie S, Chiariello M.

Am Heart J. 2010 Dec;160(6 Suppl):S4-10. Review

[Antiplatelet and antithrombotic treatment after primary percutaneous coronary intervention Balancing safety and efficacy Dic 2010 \[3\]](#)

Valgimigli M, Minarelli M.

Am Heart J. 2010 Dec;160(6 Suppl):S36-41

[Management of multivessel coronary disease after ST-elevation myocardial infarction treated by primary coronary angioplasty Dic 2010 \[4\]](#)

Biondi-Zoccai G, Lotrionte M, Sheiban I.

Am Heart J. 2010 Dec;160(6 Suppl):S28-35. Review.

[Evaluation and management of special subgroups after primary percutaneous coronary intervention Dic 2010 \[5\]](#)

De Luca L, Tomai F, Verdoia M, De Luca G.

Am Heart J. 2010 Dec;160(6 Suppl):S22-7.

[Management of acute left ventricular dysfunction after primary percutaneous coronary intervention for ST elevation acute myocardial infarction Dic 2010 \[6\]](#)

Saia F, Grigioni F, Marzocchi A, Branzi A.

Am Heart J. 2010 Dec;160(6 Suppl):S16-21. Review.

[Left ventricular remodeling after primary percutaneous coronary intervention Dic 2010 \[7\]](#)

Parodi G, Antoniucci D.

Am Heart J. 2010 Dec;160(6 Suppl):S11-5.

[Changing patterns of ST elevation myocardial Dic 2010 \[8\]](#)

Bolognese L.

Am Heart J. 2010 Dec;160(6 Suppl):S1-3.
