ABSTRACT

TERMS OF SCIENTIFIC PRESENTATIONS AND ABSTRACTS

The deadline for receipt of abstracts is 15 March 2011

Abstracts must be submitted online by going to www.icistanbul.org

Contact Assist. **Perihan ERGİN ÖZCAN** e-mail: pergin@istanbul.edu.tr not to come across any problem about online form submission and to ask something about the research summaries. All the submitted abstracts will be analysed by Congress Science Committee and after the acceptance of poster presentations acceptance letters will be sent to the participants.

Abstracts should conform to the following instructions.

- . All abstracts must be written in English.
- . The abstract text should be within 2500 characters (together with space) and typeface: Arial Type, 12 p, single space.
- . The abstract title must be brief (max. 2 lines allowed in "Title Case" format) and clearly indicate the nature of the investigation.
- . The abstract must represent original work and should be as informative as possible. Conclusions must be supported by data.

The body of the abstract should be ordered as follows:

Objectives of study
Materials and Methods
Results
Conclusions

. It is the author's responsibility to submit a correct abstract. Any error in spelling, grammar or scientific fact will be reproduced as typed by the author . Once the abstract has been submitted, modified or deleted, the corresponding author will automatically receive an acknowledgement of receipt, modification or cancellation at least 1 month later. (by e-mail)

Poster Presentation

Posters with a clearly presented heading including the title of the presentation, names of authors and their affiliation must fit the size of the poster board: 70 cm wide and 90 cm high. The letters used should be large enough to be read from a distance of 1,5 m. The best poster presentations will be awarded.
