

## The World Day of the Critical Lung - Scientific programme - 11/17/2017

Colombian hour	UTC hour	Spanish hour	Session	Coordinator
07:30-07:55	12:30-12:55	13:30-13:55	<b>Inaugural conference: "Burden of respiratory diseases in the intensive care unit"</b>	<b>Dr. Nestor Raimondi</b> - President of the Pan American and Iberic intensive Care Federation (Argentina)
07:55-09:25	12:55-14:25	13:55-15:25	<b>The lung under extreme conditions</b>	<b>Dr. Thiago Lisboa (Brazil)</b>
		14:00-14:15	Epidemiology of lung infections in tropical regions. The Colombian cohort.	Dr. Carmelo Dueñas (Colombia)
		14:15-14:30	Effect of high altitude in mechanical ventilated patients	Dr. Guillermo Ortiz (Colombia)
		14:30-14:45	Ultrasound in massive pulmonary embolism	Dr. Jesus Alvarez (Spain)
		14:45-15:00	New horizons in pulmonary arterial hypertension therapies	Dr. Victor Moles (EEUU)
		15:00-15:15	Management of respiratory critical illness in resource-poor settings	South Africa ( <b>Pending</b> )
		15:15-15:30	Round table	Dr. Manuel Garay (Colombia); Dr. Juan Carlos Grigñola (Uruguay)
09:30-10:50	14:30-15:50	15:30-16:50	<b>New challenges to monitor and support the Respiratory function</b>	<b>Dr. Neill Ferguson (Canada)</b>
		15:35-15:50	Postextubation respiratory Failure: Non invasive mechanically ventilation or high-flow nasal cannula	Dr. Gonzalo Hernández (Spain)
		15:50-16:05	Is it possible an ICU without walls?	Dr. Federico Gordo (Spain)
		16:05-16:20	Is it possible to diminish the ventilatory-patient assincrony?	Dr. Luis Blanch (Spain)
		16:20-16:35	Improving sedation practices in the mechanically ventilated patient ?	Dr. J. Salluh (Brazil)
		16:35-16:50	Round table	Dr. Bruno Pinheiro (Brazil); Dr Emmanuel Charboney (Canada); Dr. Jesus Blanco (Spain)

Colombian hour	UTC hour	Spanish hour	Session	Coordinator
10:50-12:10	15:50-17:10	16:50-18:10	<b>Pulmonary infections at the ICU: challenges and opportunities</b>	<b>Dr. Rello J (Spain)</b>
		16:55- 17:10	Steroids for community acquired pneumonia: Why, when and how	Dr. Antoni torres (Spain)
		17:10-17:25	Management of Adults With Hospital-acquired and Ventilator-associated Pneumonia: 2016 Clinical Practice Guidelines	Dr. Andre C Kalil (EEUU)
		17:25-17:40	Pending topic	
		17:40-17:55	Tools for outcome prediction in patients with community acquired pneumonia	Dr. Ignacio martin-Loech (Ireland)
		17:55-18:10	Round table	Dra. Ana Laura Gonzalez (Argentina); Dr. Manuel Jibaja (Ecuador), <del>XXX</del>
12:10-13:30	17:10-18:30	18:10-19:30	<b>Acute pulmonary distress Syndrome after the first half century: what have we Learned?</b>	<b>Dr. Claude Guerin (France)</b>
		18:15-18:30	Do we need a new ARDS definition	Dr. Theogene Twagirumuga (Ruanda)
		18:30-18:45	Which is the role of open lung biopsies in the ARDS diagnosis work-up?	Dr. Kao KC (Taiwan)
		18:45-19:00	Why all pharmacological treatment have failed?	Dr. Antonio Artigas (Spain)
		19:00-19:15	What's new in 2017 mechanical ventilation guidelines for patients with ARDS?	Dr. Eddy Fan (Canada)
		19:15-19:30	Round table	Dra. Elisa Estessonoro (Argentina); Dr. Andres Esteban (Spain), Dr. Pablo Cardinal-Fernández (Spain)
<b>Break - 25 minutes</b>				

Colombian hour	UTC hour	Spanish hour	Session	Coordinator
<b>13:55-15:15</b>	<b>18:55-20:15</b>	<b>19:55-21:15</b>	<b>What's new in broncho obstructive diseases?</b>	<b>Dr. Antonio Anzueto (EEUU)</b>
		20:00-20:15	Pending topic	GSK
		20:15-20:30	Neurally adjusted ventilatory assist in patients with acute exacerbation of chronic obstructive pulmonary disease	Dra. Ling Liu (China)
		20:30-20:45	Biologics in Asthma – The Next Step Towards Personalized Treatment	Dr. Mark Cohen (EEUU)
		20:45-21:00	The complex relation between viral infections and COPD exacerbation	Dr. Alejandro Rodriguez (Spain)
		21:00-21:15	Round table	Dra. A. Ferreira (Spain), Dr. Carlos Pey (Spain), Dr. Luis Cordoba (Spain)
<b>15:15-16:35</b>	<b>20:15-21:35</b>	<b>21:15-22:35</b>	<b>The lungs in the immunosuppressed patient</b>	<b>Dr. Elie Azoulay (France)</b>
		21:20-21:35	New advances in lung transplant therapy	Dr. Matute-Bello (EEUU)
		21:35-21:50	Lung cancer at the ICU: challenges and opportunities	Dr. S Pastores (EEUU)
		21:50-22:05	Pending topic	
		22:05-22:20	HIV in critically ill patients	Panamerican Society of Infectious Diseases <b>(Pending)</b>
		22:20-22:35	Round table	Dr. Orville Baez Paez (Spain), Dr. Fabio Varón (Colombia); Dr. Mario Godino (Uruguay)
<b>16:35-18:00</b>	<b>21:35-22:00</b>	<b>22:35-23:00</b>	<b>Closing conference "Half a century of ARDS"</b>	<b>Dr. JL Vincent (Belgium)</b>
