Program

1st International Fluid Academy Day - November 19th 2011

8:00 - 9:00 Registration

Give Fluids? Make it Choice, not Chance (Part 1)

Chair: Rainer Gatz and Peter Rogiers

9:00 - 9:20 Introduction and basic concepts of fluid therapy

Niels Van Regenmortel

9:20 - 9:40 Stewart says: saline sucks!
The trouble with hyperchloremic metabolic acidosis

Paul Elbers

9:40 - 10:00 The clash of the titans: crystalloids versus colloids?

Eric Hoste

10:00 - 10:20 Some colloids are more equal than others: does our choice matter?

Sibylle Kozek-Langenecker

10:20 - 10:35 Discussion

10:35 - 11:00 Coffee Break

Give Fluids? Make it Choice, not Chance (Part 2)

Chair: Eric Hoste and Philippe Jorens

11:00 - 11:20 The hypertonic: lessons from massive fluid administration for small volume therapy

Dirk Himpe

11:20 - 11:40 Hero or has-been: is there still a place for albumin?

Julia Wendon

11:40 - 12:00 Pushing the boundaries: what's beyond the final frontier?

Can Ince

12:00 - 12:15 Discussion

12:15 - 13:10 Lunch Break

Give Fluids? Avoid Floods (Part 1)

Chair: Julia Wendon and Alexander Wilmer

13:10 - 13:30 Fluid overload: poor cosmetics or bad medicine?

Manu Malbrain

13:30 - 13:50 Assessment of fluid therapy: use the right tool for the right job!

Xavier Monnet

13:50 - 14:10 Perioperative fluid optimisation: from gut feeling to closed loops

Frederic Michard

14:10 - 14:30 Frank Starling revisited: the importance of fluid responsiveness

Jean-Louis Vincent

14:30 - 14:50 The search for the Holy Grail continues: is there a place for lactate?

Jan Bakker

14:50 - 15:05 Discussion

15:05 - 15:30 Coffee Break

Give Fluids? Avoid Floods (Part 2)

Chair: Jean-Louis Vincent and Azriel Perel

15:30 - 15:50 Dry lungs are happy, but a dry liver is deadly: how can dye-dilution help us?

Michael Bauer

15:50 - 16:10 Techniques for the future: continuity versus accuracy?

Azriel Perel

16:10 - 16:45 Putting it into practice: an interactive discussion...

The Faculty

16:45 - 17:00 Closing remarks: wrap it up!

Manu Malbrain

17:00 End of meeting

Registration is free, but places are limited

Accreditation has been requested

NVIC Accreditation confirmed for 6h
