Announcement

Dear Colleague

The **2nd Announcement** of the 11th World Congress of the World Federation of Societies of Intensive & Critical Care Medicine is available on the website. Read all about the event, the scientific programme, registration, the venue, the destination and more.

Follow [this link](#) to view the 2nd Announcement online.

Scientific Content:

[Click](#)

The programme has been designed to present the latest scientific information and to deal with the challenge of providing more for less. The scientific component of the programme will focus on key issues in critical care in a format that will incorporate plenary lectures, thematic sessions, cutting-edge Meet-the-Expert sessions with interactive audience participation, interactive debates, clinical ward rounds, round table meetings, hands on workshops, industry sponsored symposia and the presentation of original scientific research in the form of free oral communications and poster presentations.

For further information on the programme please visit the website where the detail has been published.

Registration:
